

Shijiazhuang Yinhe Aluminum Products Co., Ltd, established in 2003, is a leading aluminum processing manufacturer in China. We have good advantages in coated aluminum, which is used for aluminum caps, especially pharmaceutical aluminum caps. Our products include aluminum coil, aluminum sheet and aluminum foil.

Since its establishment, Yinhe has been following its principle "Clients First, Quality Priority ". With 16-year production and sales, Yinhe has not only accumulated rich practical experience, but also established its strict quality management system. In order to provide our clients with high-quality products and good service, Yinhe controls every process strictly from the raw materials purchasing, production, finished products testing, package to the shipment tracking in accordance with international standards.

To enhance production efficiency, prevent pollution and conserve energy, Yinhe improved the environmental protection equipment in 2015.

Sincerely welcome your visit, and look forward to your cooperation.
